

ST. TERESA ATHLETIC ASSOCIATION

To: St. Teresa Parents

From: STAA

Date: April 11, 2018

Re: 2018-'19 Sports Registration

In the April 13 white envelope you should find a sports registration form for the 2018-2019 School year. If you do not receive a form, you may obtain a blank one from the school office.

This School year we will only require that fees be paid in full for that particular sport in season. However, you may still pay for your child's full year of athletic activities. It is imperative that you check which sports your child will be participating in for the year. Therefore, all students who are registering for Soccer and Baseball, should have their money and forms returned by May 21. Your check should accompany the registration forms and be payable to STAA.

If you register your child for a sport and the child does not participate, a refund for that sport will be issued. Refund request forms are kept in the school office. Refunds will be available after the start of school in the fall.

Everyone attending an indoor sports event will be charged an admission fee. There is no admission fee charged for soccer, baseball or track, except for Diocesan sponsored tournaments.

Sports physical forms will be sent home by the school nurse, Janine Gosebrink. A physical form must be on file in the school office before a child can participate in any school sponsored athletic activity. Physicals are good for one year from the date signed by the doctor. Also, we will continue to be vigilant in assessing students with regards to concussions and the protocol procedures associated with them. Please read the attached information sheet, as well as, return the signed concussion information sheet which will allow your child eligibility to participate.

Please see the attached form for sports teams and grade levels that St. Teresa School will offer in the 2018-'19 school year. Thank you for your continued support of Tiger Athletics.

For questions regarding registration please contact Tim Becherer: Tbecherer2004@yahoo.com
