Subject: Extended Care Summer Program

In November, Michelle Miller, Parish Business Manager, shared with the St. Teresa School Board that the Summer Extended Care Program had lost \$12,000.00. This loss of money was due to several factors: families not settling their bills, buses not being paid for with field trips, students not attending the program daily, etc. In December, the school board voted not to offer the Extended Care Summer Program for the Summer of 2019 due to the loss in funds.

I am contacting you at this time to inform you about the change and to allow you to have ample time to find summer care for your son or daughter. I wanted to share with you several places I have contacted that are providing summer care for students. These include: Camp Quackers, the East End YMCA, and Sportsplex. Other options might include hiring a high school or junior high school student.

If you need any other information, please feel free to call the school at 235-4066.

Yours in Education,

Sandy Jouglard, Interim Principal
