Dear Parents/Guardians:

Students entering **Kindergarten** are required by the State of Illinois to have a Physical Examination/Immunization Record on file before the school year begins, or **no later than Sept. 1st of the current school year**. Additionally, a dental form will be required prior to May 15th of the current school year. The forms are being sent home now so that you may schedule these appointments. In an attached letter, the information regarding the required eye examination form for kindergarteners is explained.

PLEASE NOTE:

Dear Parents/Guardians of Kindergarten Students and New Students:

Effective January 1, 2008, the state of Illinois required that all children enrolling in **Kindergarten** in a public, private or parochial school (and any new student enrolling for the first time in public, private or parochial school) must have an eye exam.

Therefore, we are providing an eye exam form that must be submitted to school no later than **October 15th of the current school year.** The eye exam must be performed by a physician licensed to practice medicine in all its branches, or a licensed optometrist. Any professional eye exam within 1 year of this date will be accepted. The State of Illinois mandates that the report be on file by this date.

If you are unable to meet these requirements, please notify the school office as soon as possible. We have been told that Wal-Mart provides these exams for \$40 without insurance. There are also many other options in the Belleville area. Most insurance plans usually provide annual or bi-annual exams.

If you have any questions or concerns, please contact me at the school office Monday thru Friday during school hours at 235-4066.

Sincerely,

Janine L. Gosebrink, RN, BSN
Nurse
