Re: 2019-'20 Sports Registration

This upcoming School year the St. Teresa Athletic Association will require that all fees be paid in full for all registered sports during the 2019-'20 School year. It is imperative that all forms are returned in a timely manner. This allows us time to complete game schedules based on participants, as well as, complete our Soccer jersey order. Only check the boxes for sports your child will be participating in for the year. All registration fees and forms should be returned to the office by Friday May 24. Payments should accompany the registration forms and be payable to STAA. The option of paying your fees on line is available through Whitestone.

If you register your child for a sport and the child does not participate, a refund for that sport will be issued. Refund request forms are kept in the school office. Refunds will be available after the start of school in the fall.

Everyone attending an indoor sports event will be charged an admission fee. There is no admission fee charged for soccer, baseball or track, except for Diocesan sponsored tournaments.

Sports physical forms will be sent home by the school nurse, Janine Gosebrink. A physical form must be on file in the school office before a child can participate in any school sponsored athletic activity. Physicals are good for one year from the date signed by the doctor. Also, we will continue to be vigilant in assessing students with regards to concussions and the protocol procedures associated with them. Please read the attached information sheet, as well as, return the signed concussion information sheet which will allow your child eligibility to participate.

Please see the attached form for sports teams and grade levels that St. Teresa School will offer in the 2019-'20 school year. Thank you for your continued support of Tiger Athletics.
